How do we build in Affordable Luxury?

- With our DTS™ (Dual Therapy System), a combination of high volume whirlpool flow and targeted direct pressure jets.
- With Nordic Star™ high flow stainless steel jets designed to optimize water flow and pressure to offer you a fully customizable hot water massage.
- With dual 2-speed pumps to give you powerful water flow for maximum hot water therapy.
- With optional Nordic Wrap™ insulation for additional protection from low ambient temperatures.
- With our standard Northern Lighting Package™ to create a magical nighttime ambiance.
- With optional Nordic Clean™ or Nordic Pure™ ozonators to help maintain consistent water quality.
